

DELHI WORLD PUBLIC SCHOOL, RAIGARH

under the aegis of Delhi Public World Foundation

PROSPECTUS

Holistic Education Nurtures the broad development of the students and focuses on their intellectual, emotional, social, physical, creative, aesthetic and spiritual potentials.

Delhi World Public Schools

Delhi World Public Schools are a new chain of schools under the aegis of the Delhi Public World Foundation initiated by Delhi Public School Alumni which includes luminaries like Salman Khurshid-Former External Affairs Minister, Government of India; Montek Singh Ahluwalia-Former Deputy Chairman, Planning Commission;

Chintamani Rao-Former Vice Chairman, Times Broadcasting Company; Dr. Rakshanda Jalil, Historian, Sharmila Tagore, Actor, and several others. This group spearheads a mission to achieve excellence in education through cutting-edge learning tools combined with the human touch and the unique Guru-Shishya (Teacher-pupil) bond of our ethos. Delhi World Public School, Raigarh is a proud member school of the Delhi Public World Foundation.

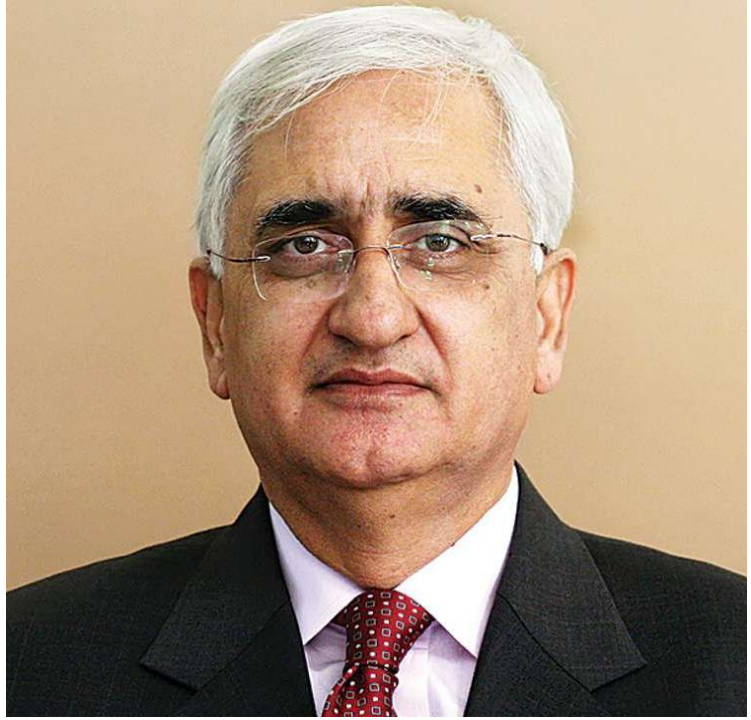

Vision

Delhi World Public Schools are committed to providing state-of-the-art education, incorporating Indian values and World culture, aiming to create global citizens as torchbearers of a dynamic & harmonious world.

Mission

Delhi World Public Schools aim to instil in each child a sense of inquisitiveness and exploration, and an urge for experimentation, observation and synthesis. We endeavour to free the learning process from the confines of the four walls of classrooms and take it further to activity workshops, resource centres, laboratories and library, teaching less for learning more. Every child is encouraged to inculcate the values of the citizenry, a commitment to good health, high values and sensitivity to the environment. We strive to guide and support each child in their journey from primary to senior school and prepare them for the journey beyond school.

Life Trustees

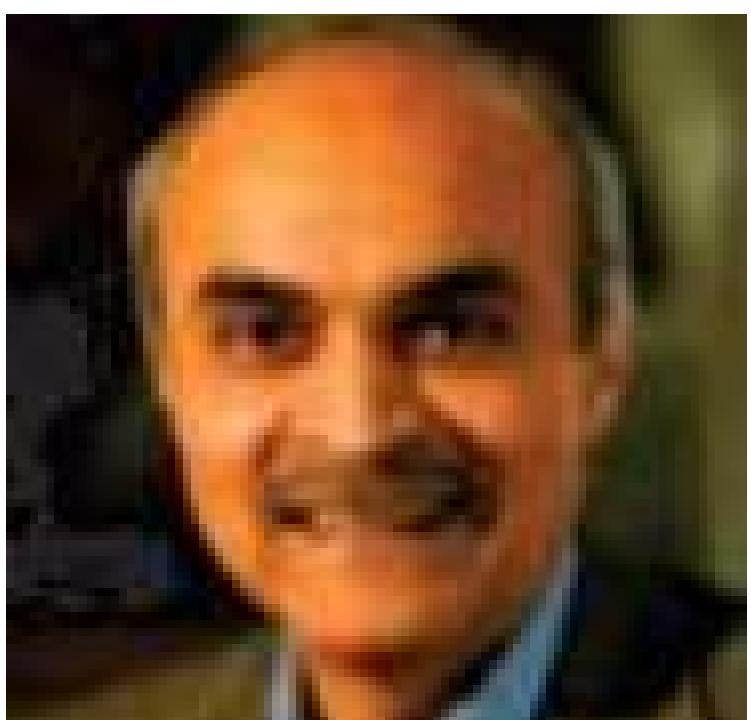

Salman Khurshid

Head Boy, DPS Mathura Road 1969 and former Minister of External affairs, Government Of India

Dr. Sabiha Khan

Ph.D in Educational
Administration
Former Headmistress,
Jamia Middle School

Soma Mandal

Co-ordinator for Pre-primary
and Primary Sections in
Educational Institutions
in India and Abroad

Louise Khurshid

Chairperson's Thoughts

Our Indian standard of education is excellent. Our students are among the best in the world. They score high on marks -to the extent of securing even 100% in English! But can we truly say that our children are well rounded? Do they see beyond the confines of their school and home to recognize inequalities around? There is so much of the past that was character forming which our schools have discarded or forgotten in the pursuit of High Grades. We are losing many aspects of our history which must be gathered with care before it is all scattered in the vicissitudes of time.

This is a challenge that we at the Delhi Public World Foundation have taken up in earnest. Modules are being created for our children to engage in Self Care, Social Service, Animal Welfare and Environment Protection. To make them appreciate, understand and anticipate the dire necessity of valuing our depleting wildlife, threatened environment and ecology. To bring to them firsthand knowledge and information of new energy saving techniques and technology. They are encouraged to take time off from cramming for exams and tests to take part in all those varied expressions of impulsive creativity.

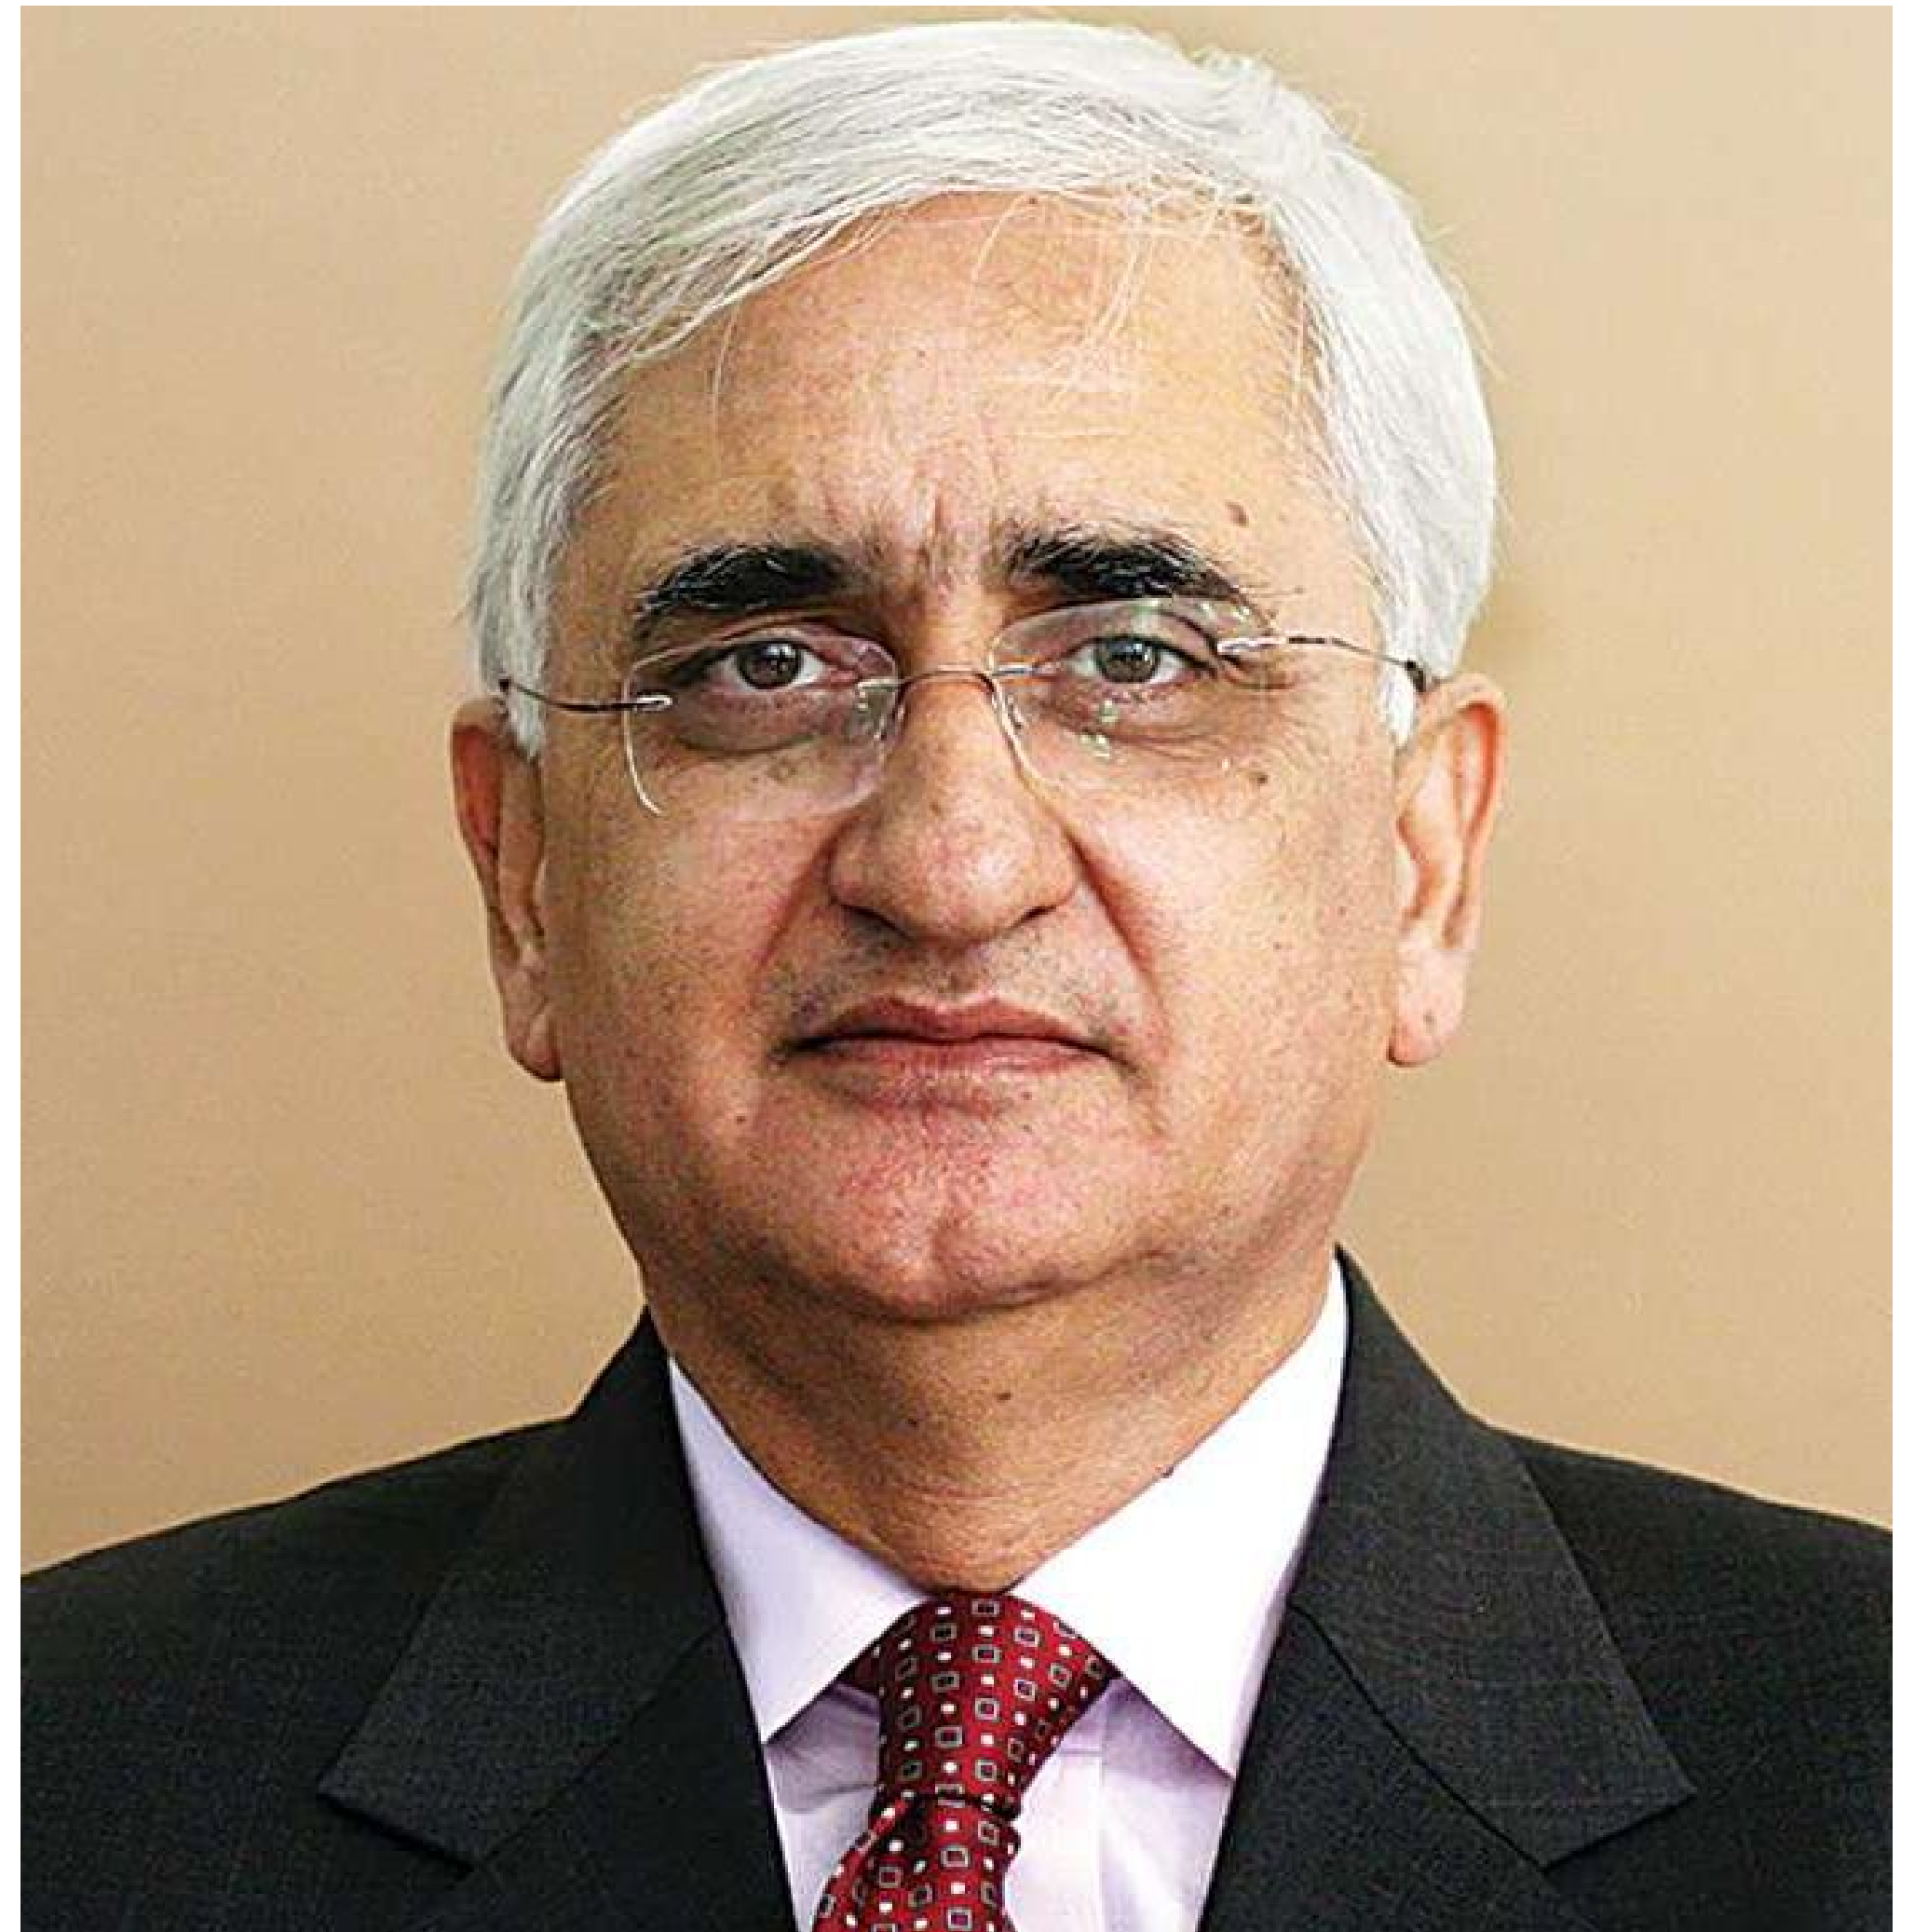

We want them to be children, leading an exciting child's life and not be forced to become premature adults. Please join us and be part of our new adventure full of wonder.

Our Mentor

We are very lucky to have Mr Salman Khurshid as our guide and mentor. Mr.Khurshid is an Indian politician and was the Cabinet Minister of the Ministry of External Affairs. He belong to the Indian National Congress. He is a lawyer and a writer who has been elected from Farrukhabad Lok Sabha constituency in the General Election of 2009. Prior to this, he was elected to the 10th Lok Sabha (1991- 1996) from the Farrukhabad Lok Sabha constituency. He became the Union Deputy Minister of Commerce in June 1991, and later became the Union Minister of State for External Affairs (Jan 1993- June1996). He started his political career in 1981 as an Officer on Special Duty in the PMO under the prime minister ship of Indira Gandhi.

Born in Aligarh, UP, he is the son of Khurshid Alam Khan a former Union Minister of External Affairs, GOI, and maternal grandson of Zakir Hussain, the third President of India. He studied in St. Xavier's High School, Patna, Delhi Public School, Mathura Road and college at St. Stephen's College, Delhi and Edmund Hall, Oxford, UK (B.A. (English and Jurisprudence), M.A., B.C.L.). He also taught as Lecturer in Law at Trinity College, Oxford.

He has been the President of the UP Congress Committee twice.He was also the President of the DPS Society.

Salman Khurshid

Shweta Singh, Principal

The Journey Begins...

Every child coming to DWPS will embark on a journey in which his innate potential will be unlocked, his imagination fired, his creativity honed and his mind illuminated. He would seek knowledge not because he should but because he wants to. The journey of the child will take him through the curriculum which will give him the power to dream, to discover and to create. On the wings of his own ambition, he will soar as high as he wants. For us, every child is special with unique combinations of abilities and needs

We relish the differences in children and give them the opportunity to learn in ways that make the most of their strengths. We believe that the world will be a better place if the schools prepare children as leaders who would shape the future. When the right attitude, confidence and skills are woven in children, they are more likely to become responsible, contributing adults. We understand that this journey of learning is a collaborative effort.

The school would not leave a single stone unturned to complete this journey. Let us come together so that we give our children the roots to grow and the wings to fly.

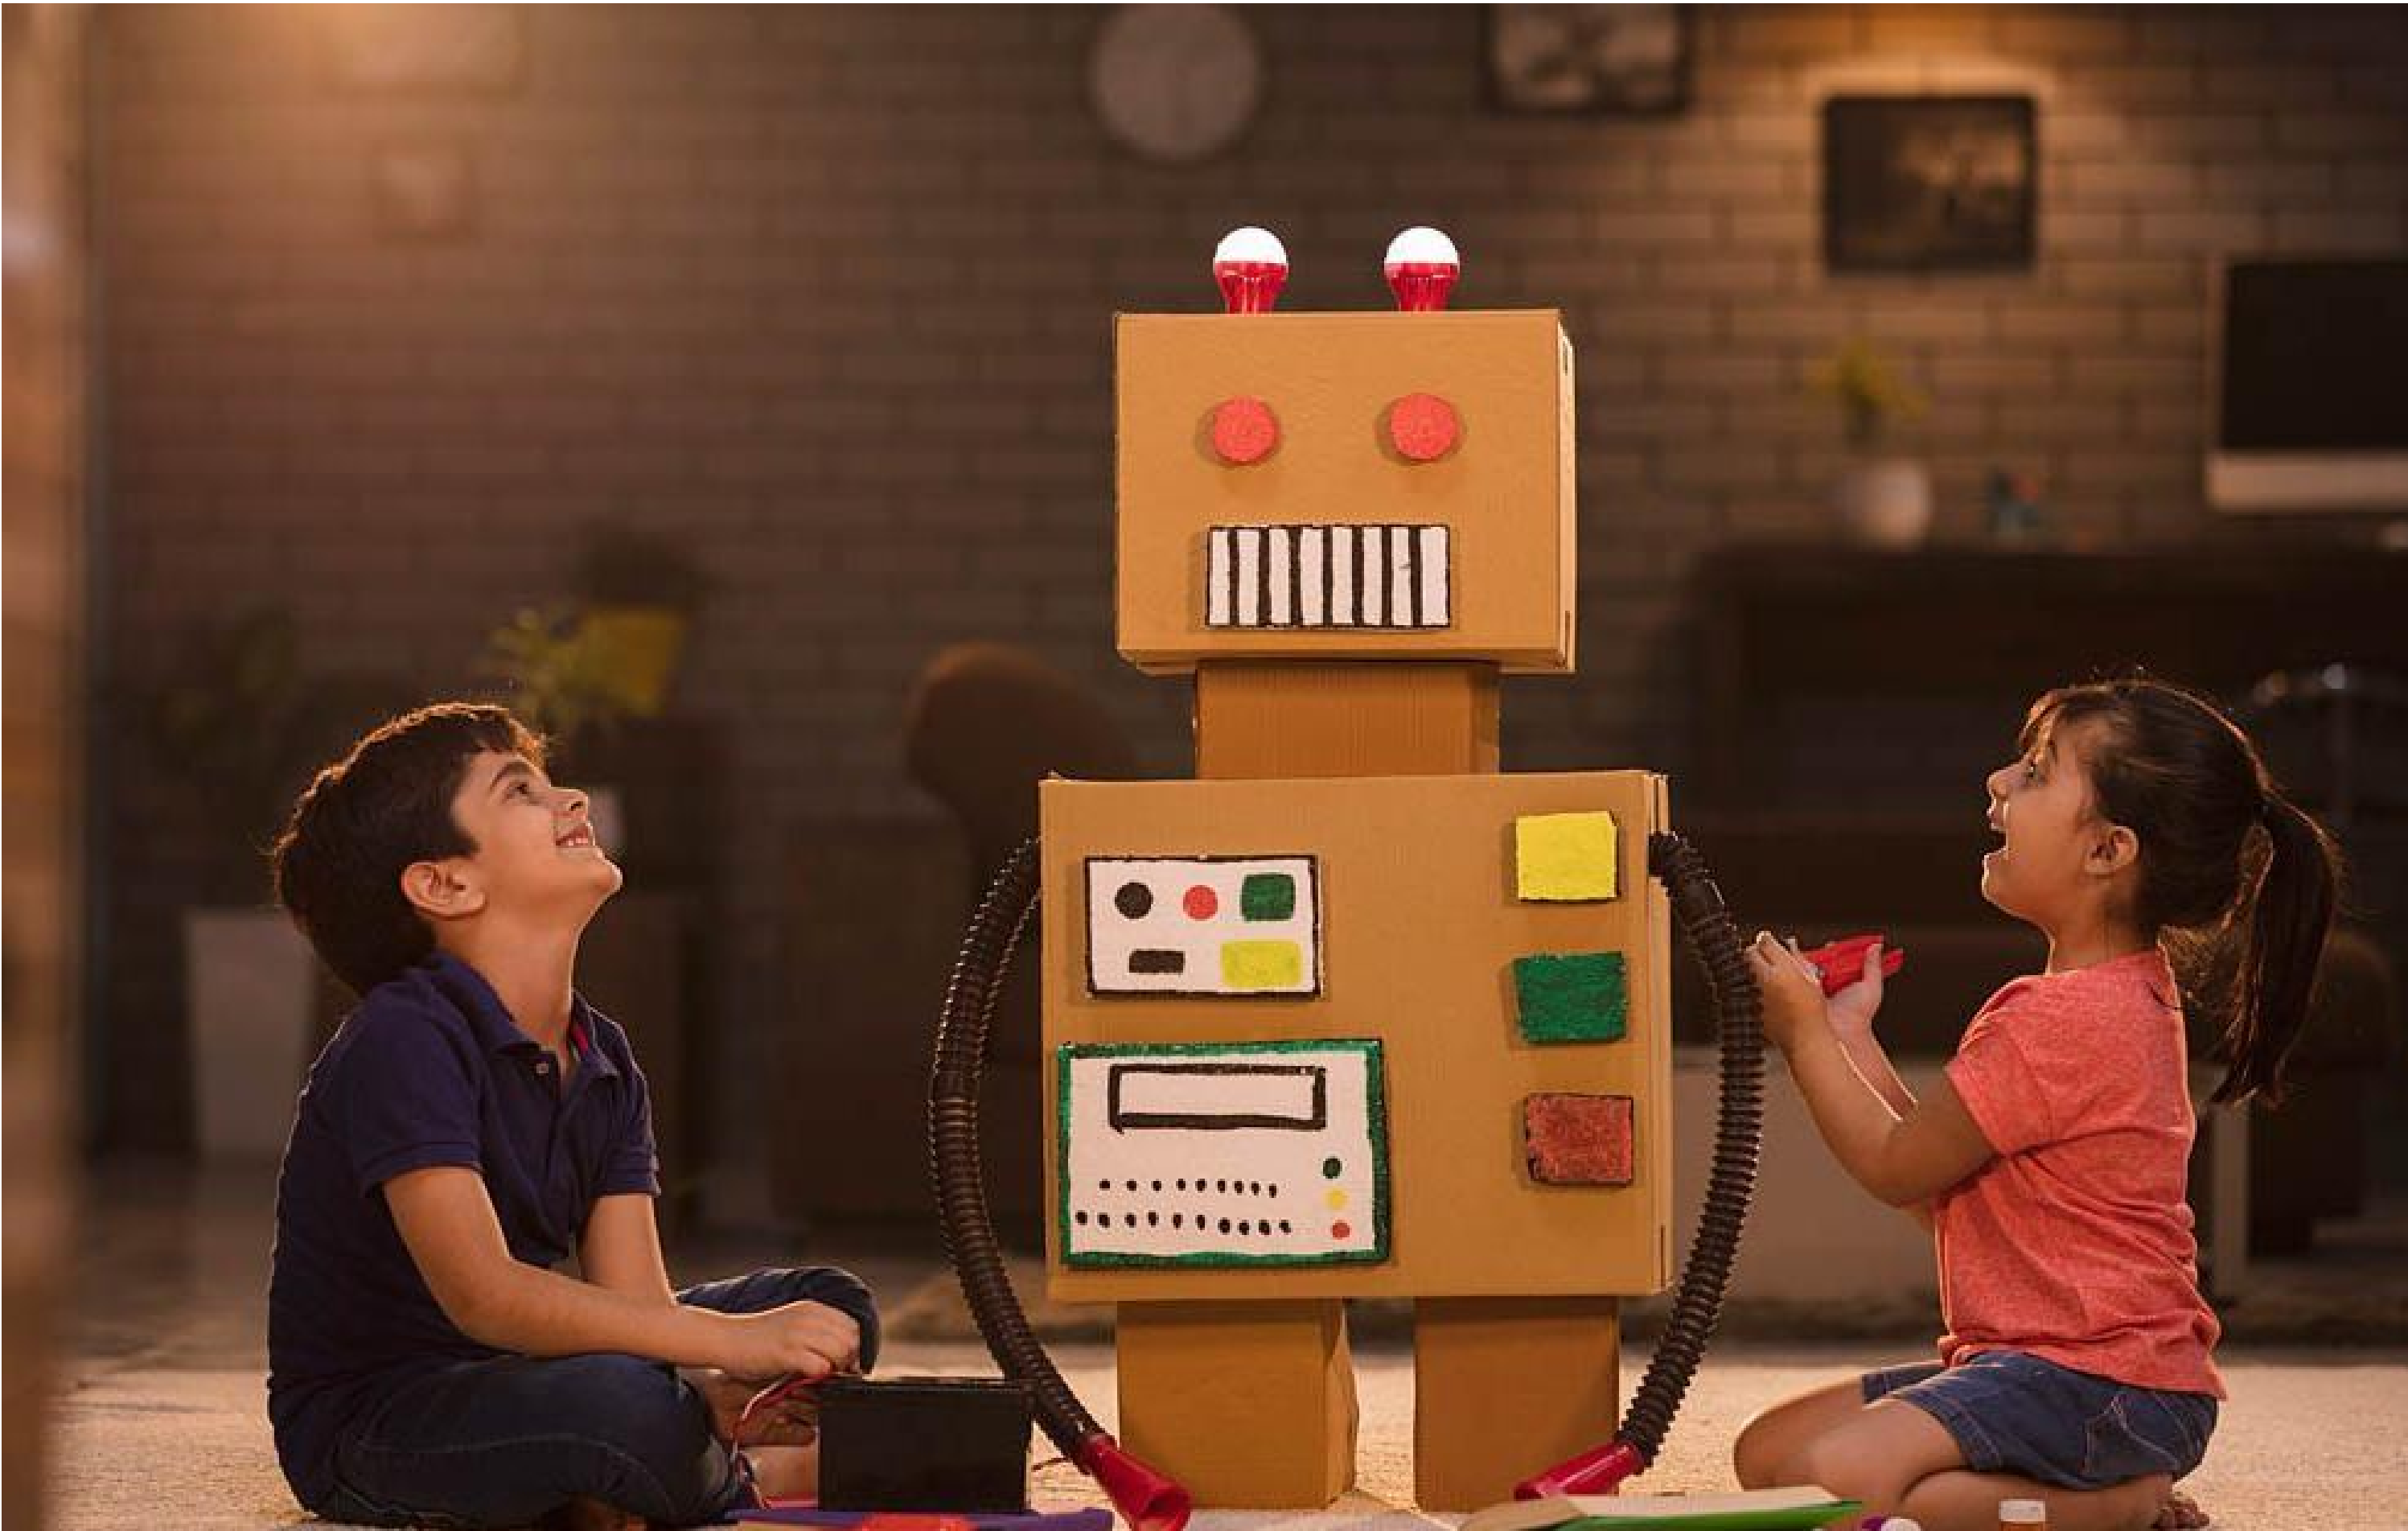

Striving Towards Excellence In Academics

Delhi World Public Schools have the best infrastructure and state of the art facilities, including well-stocked libraries, Maths, Science and Language Labs. Rooms for workshops and open space for sports.

In terms of teaching, Delhi Public World Schools follow the guidance of the Education and Resource Council of the Delhi Public World Foundation, which comprises eminent names in the world of education.

Delhi World Public School strive to achieve the best academic standards in the world and your child will have access to the finest environment and facilities for drawing out and maximising the best potential.

Infrastructure

Mathematics Lab

The Maths Lab allows students to explore mathematical concepts via games, puzzles and other modern teaching aids to inculcate in them a spirit of discovery and invention.

Computer Lab & Language Lab

The Computer Lab is well resourced with high-speed central servers and the latest educational software (with adequate security & safety features). Every student has access to a terminal in the lab.

Our Language Lab is fitted with latest multimedia equipment and audio visual aids. Students are able to practice speaking a new language, record their work and take part in interactive sessions to improve their language skills.

Stem Lab

Stem Lab contains educational “do it yourself” kits and equipments on – Science, Technology, Engineering and Mathematics on the idea of educating students in an interdisciplinary and applied approach. The objective is to build creativity in young minds

Library

The school’s library has got the books which are enriching, empowering and inspiring. All the children belonging to every class go to the library and there they not only pursue books but they also have discussion on books.

Dance & Music Room

The school emphasizes on imparting appropriate music lessons in classical, folk and western genres. DWPS never falls short in finding and promoting an individual’s talent of expressing his/her thoughts through the medium of art.

Activity Room

Our unique activity room offers games, arts/crafts and story sacks. We feel it’s very important to make children experience working and playing together in small groups as this association brings out the best in them, they learn to express themselves and explore new opportunities around.

Infirmary

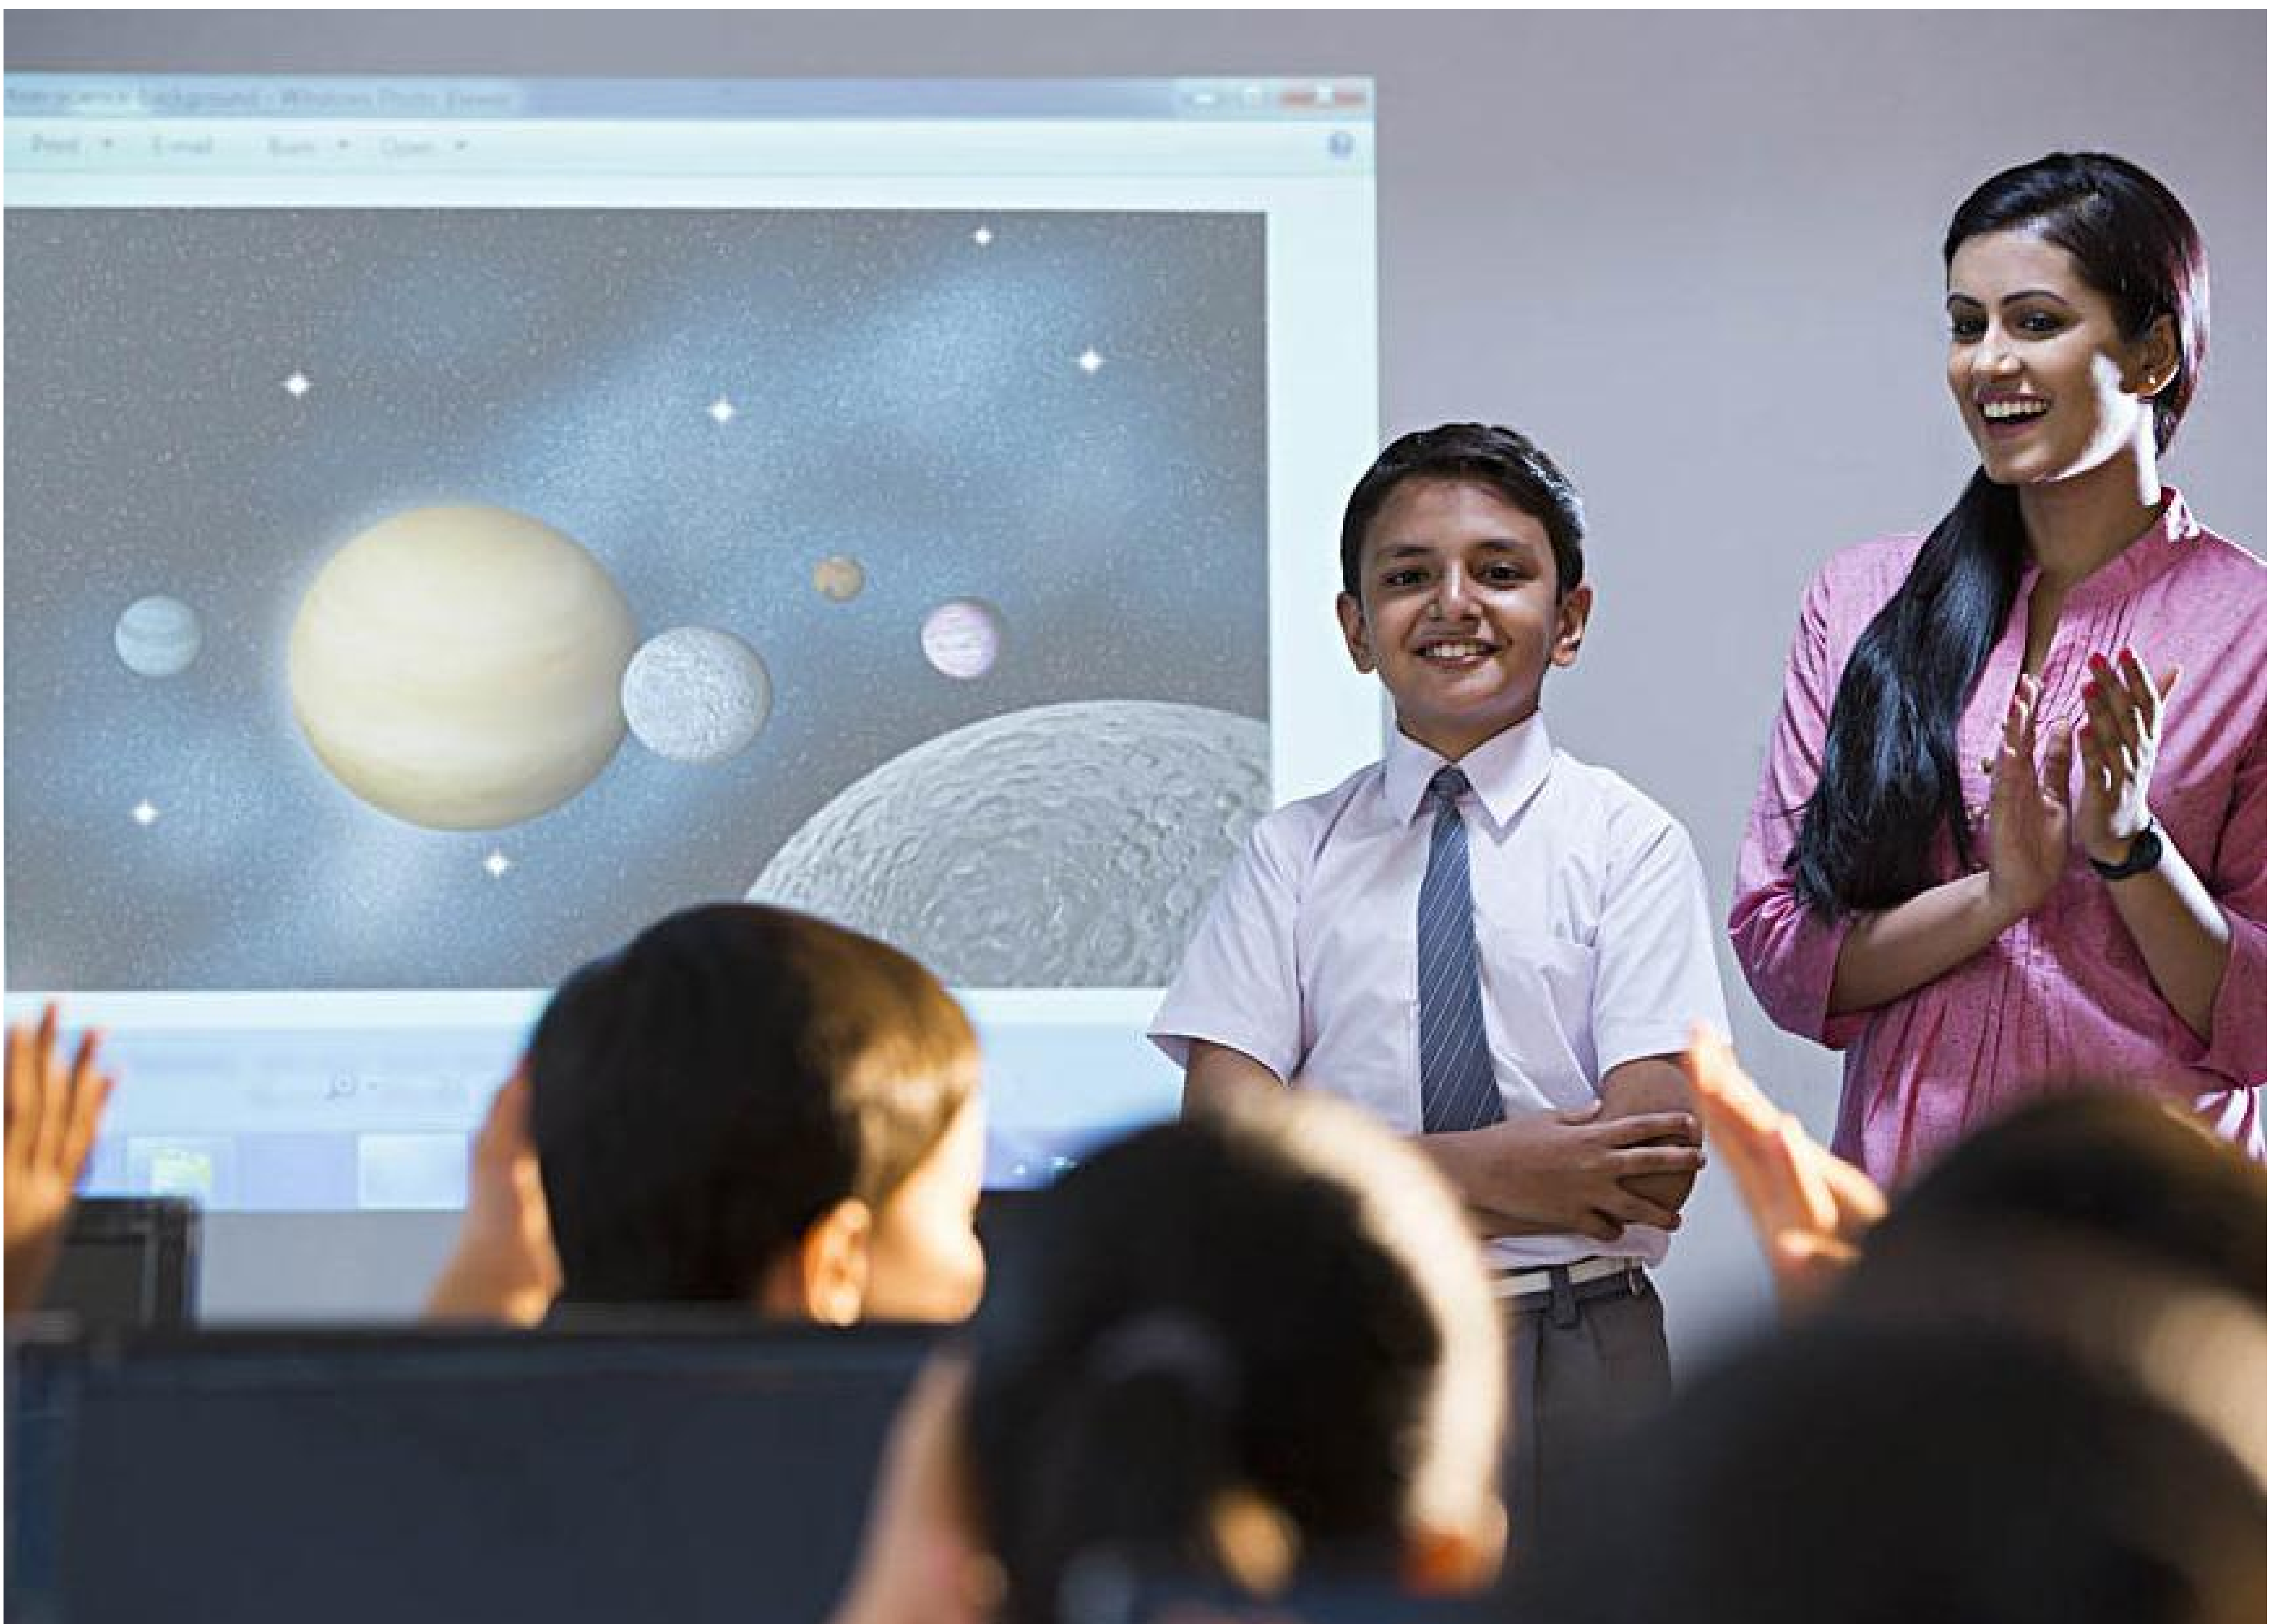

We have a well-equipped medical room, which is accessible during school hours. We have nursing attendants in place for ensuring that all the emergencies are taken care of.

Smart Classrooms

In order to best facilitate learning, we offer smart classrooms that use audio-visual methods of engaging students with their lessons. Our smart classes are equipped with the latest innovative technology including LCD projectors and Interactive Digital Board Systems along with computers. Sections of Curriculum are diligently imparted through smart classrooms that are networked to large repositories of digital content.

Student E-Portal

At Delhi World Public School, we think it is important that parents have access to information they need about their child's progress. E-portal is the parent's gateway to the MIS that we use within the school to record student details, attendance, assessment data and online fee payment. Once the app is downloaded, e-portal can be accessed any time of the day by the parent.

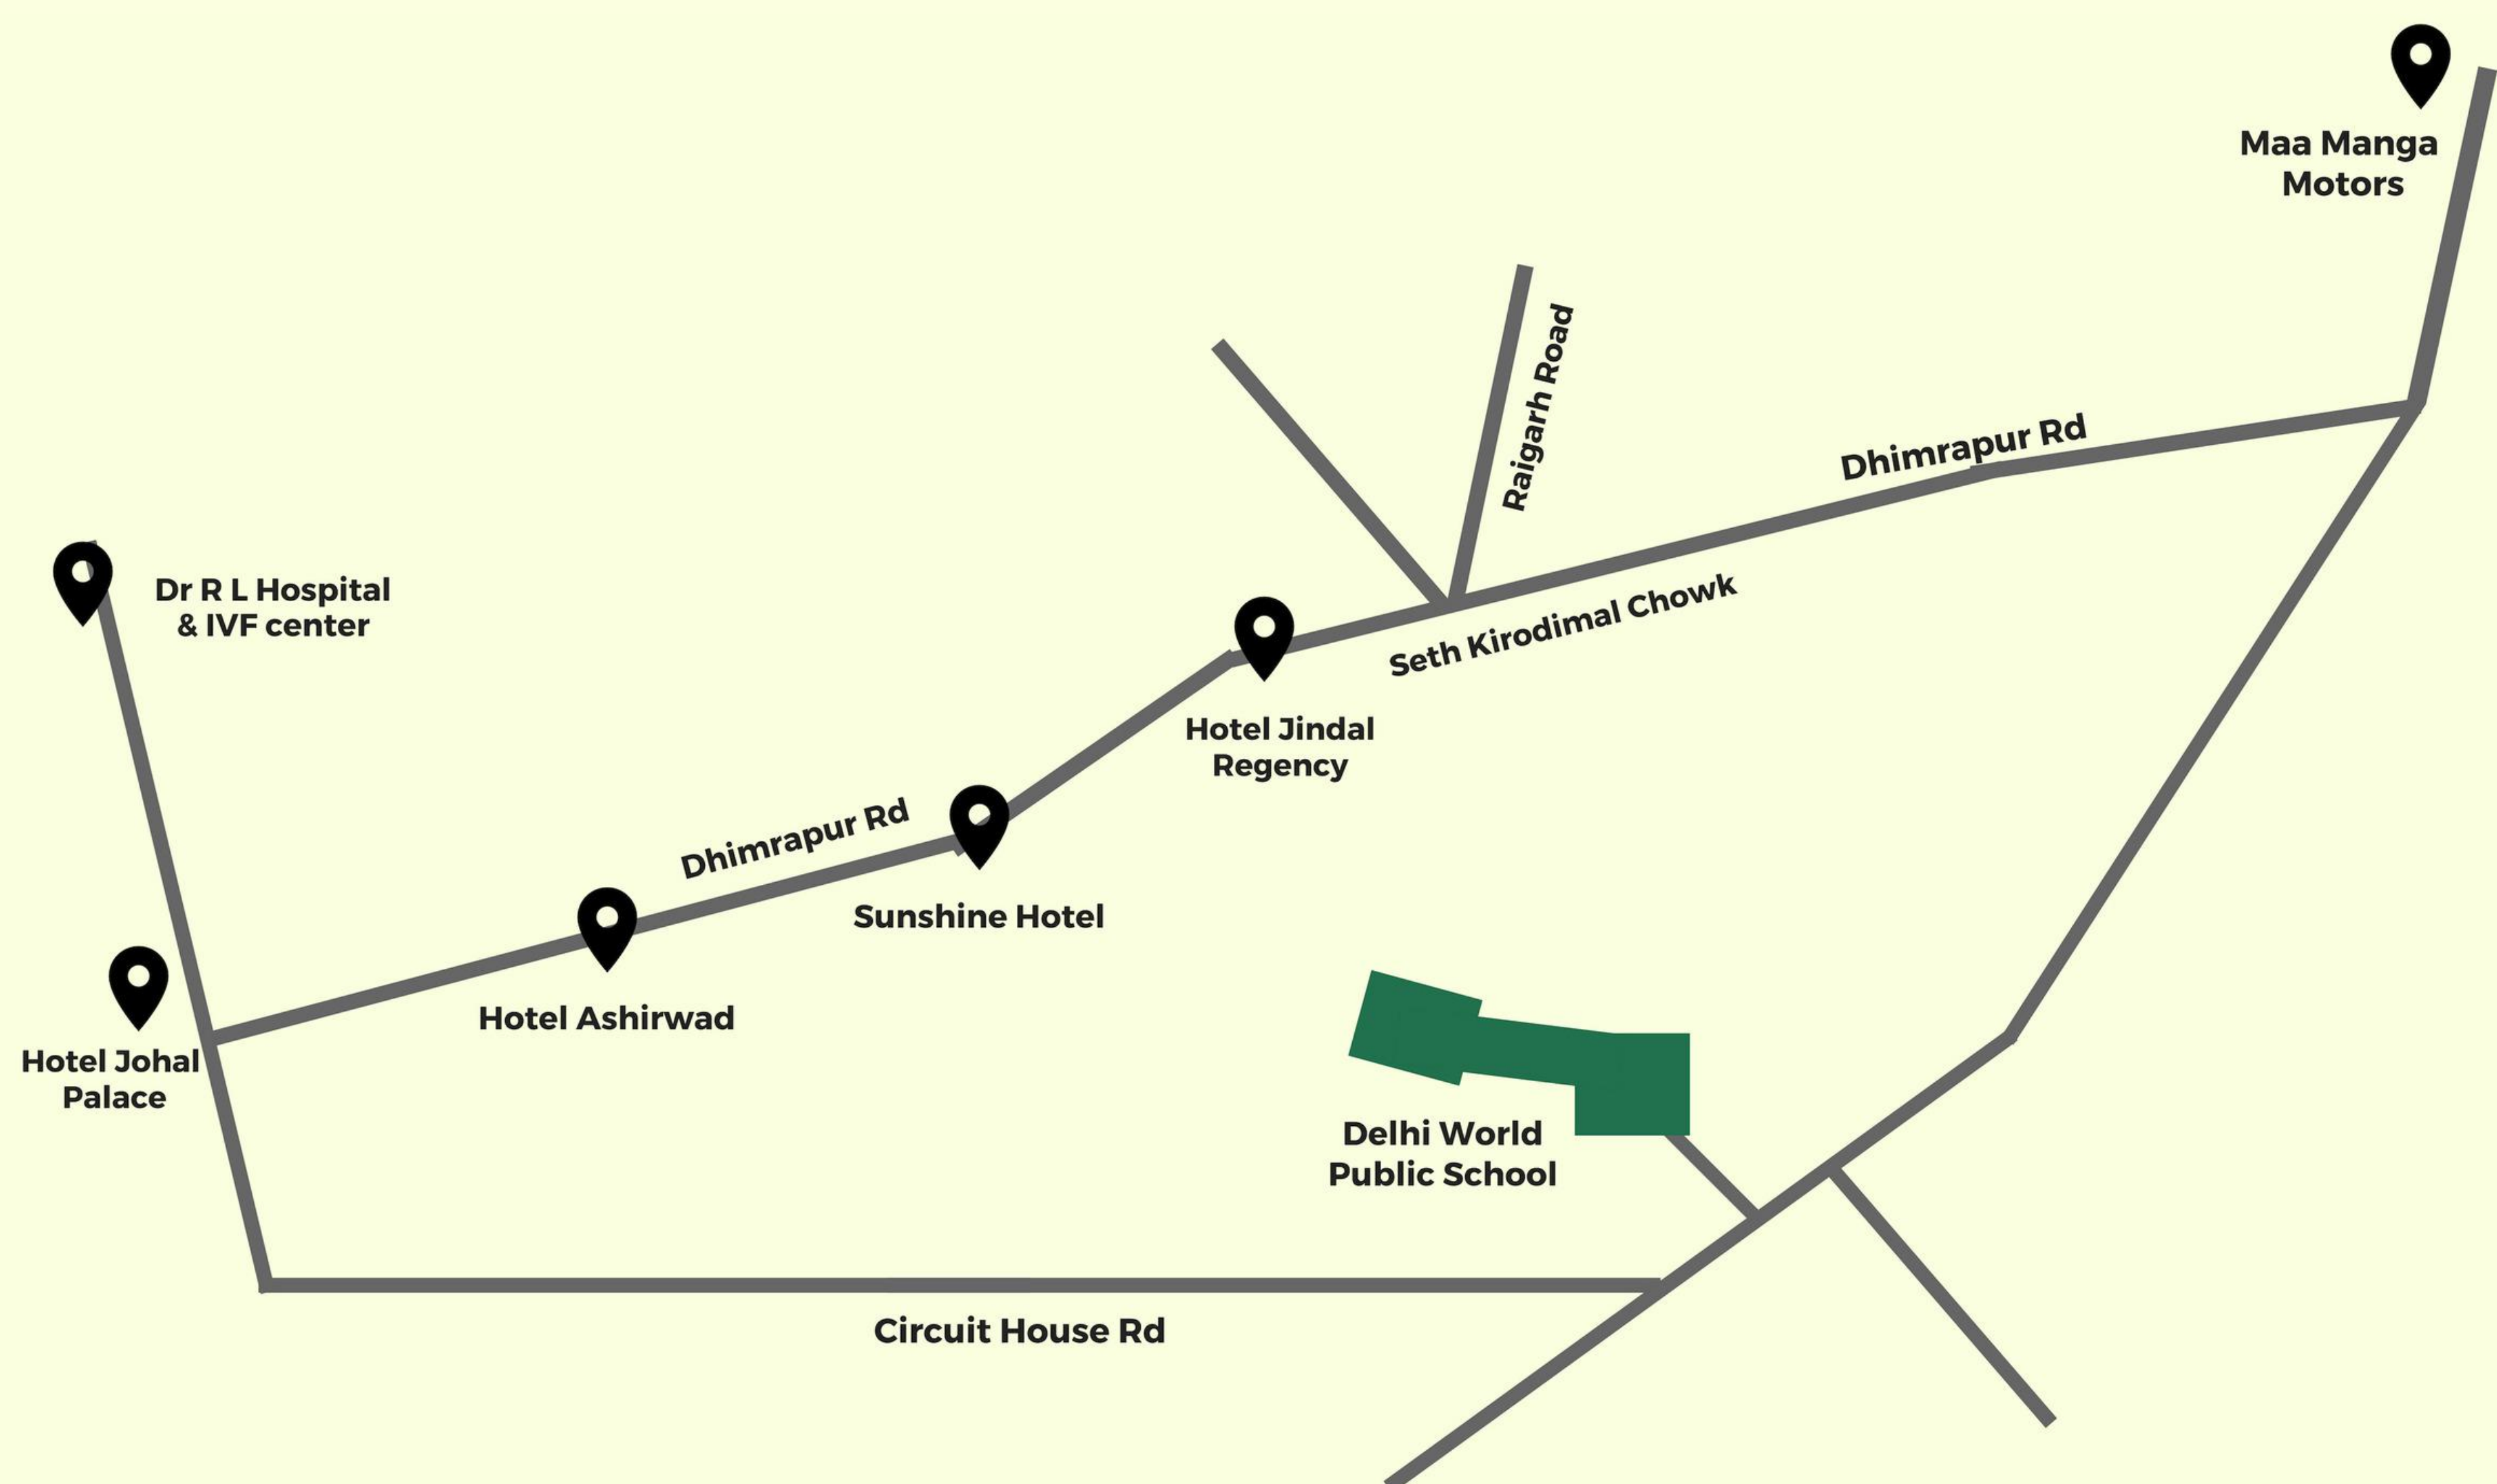

Our Curators- Teachers And Their Training

We place paramount importance on selection of teachers with best ability potential and proven track record. We realise that teachers are the spine of a successful school.

Our selection procedures thus are elaborate and well researched. We also closely monitor the work of our teachers and review their performance regularly through teacher appraisals to assess their knowledge and skills, their attitude and behaviour in the classroom as well as in the community. We seek regular 360-degree feedback from our students and parents about our teachers. All staff members of the school take adequate resources to develop their skills.
